Are you vaccinated?  

- **Yes**  
  - Is your vaccine on the list at this link?  
  
- **No**  
  - Is your vaccine recognized by EMA?  
  
  **Recognized vaccines are produced by:**  
  - Pfizer/BioNTech  
  - Moderna  
  - AstraZeneca  
  - Johnson & Johnson  

You can get vaccinated as a Unipr student! Click on this link to see how. You can request a green pass after your first dose.

The vaccine certificate from your home country is equivalent to a green pass, so you don’t need an Italian green pass. Please:  
- Check that your certificate displays all the information at this link  
- Always carry with you your certificate and a printout of the Note of the Italian Ministry at this link.

Unfortunately, the Italian Government has not yet issued a policy on the recognition of non-EMA vaccines (such as Sinovac or Sputnik). You can obtain a green pass through regular swabs (see “green pass request procedure”), or attend classes online. Please check this section for updates regularly.

You need to register your vaccine with the Local Health Authority (AUSL). Once that’s done you can request a green pass.

You can request a green pass after your first dose.
